Afterword Translation Notes:

And that was the slightly envelope-pushing volume three of *“I’ll Never Send a Selfie Again!”* I’m so grateful you picked it up!

This time I tried to focus on the main character’s family, but for some reason or another, *err*, her mom was particularly...well received.

How mysterious!

Mothers are truly fearsome...

Please look forward to what happens between Himari and Eisuke!

P.S.: About the bonus illustration... I kept going back and forth on whether to draw her feet or the back of her knees...so I drew both!
